*Design by Robin Kingsley*

Enjoy this **Embroidery** project from Bird Brain Designs as a **GIFT** for you or **Someone Special!**

Embroider an elegant spray of Fresh Lavender on a pretty guest towel.  
Make something beautiful and embroider in just an afternoon or an evening.

### **FUN AND FREE!**

Print out the embroidery pattern and get to work.

We have put together a packet with the guest towel and Perle Cotton, for you - \$8.00.

### **Transferring Instructions**

- Wash and dry your Guest Towel in the machine before embroidery.
- Place the design pattern on a light box or in a bright window, tape down.
  - Place the guest towel over the pattern. Tape securely.
- Trace the Design Transfer Pattern onto your towel with a Brown Pigma permanent marker.

### **Alternate method I used to transfer design:**

- Print the Design Transfer Pattern on Transfer-Eze with your printer.
- Pull the printed film off the paper backing and finger press onto your towel.
- Embroider through the Transfer-Eze film and towel – worked wonderfully!
